Assembly Points are established to enable Midwestern Seminary to ensure that all persons within the building have been accounted for. Upon evacuation please make your way to the designated Assembly Point.

Tornado Shelters are locations designed for severe weather. In case of Tornado Siren, evacuate immediately to the appropriate Tornado Shelter. In case of a Tornado Sire or severe weather, evacuate immediately to your appropriate shelter and wait for further instructions.

Shelter-in-Place locations are designed to be used if you are unable to get to your designated Tornado Shelter.
